Under 18's Policy for Student Residents**

2017/18

Policy Statement

The Under 18's policy covers students applying for Intercollegiate Hall's accommodation, whose 18th birthday falls after the first day of the Licence Agreement of the year of entry to the University. The purpose of the policy is to promote and safeguard the welfare of students who are under 18 whilst living in University owned or managed accommodation. The policy will cease to apply to students once they reach their 18th birthday.

Students under the age of 18 are unable to enter into a Licence Agreement with University of London and the University requires a parent/guardian or guarantor to sign the Licence Agreement. Liability for outstanding rent agreed under the Licence Agreement remains with the parent/guardian or guarantor, if the student fails to maintain payment.

The University cannot assume parental responsibility for a student under the age of 18. Students and their families should bear in mind that the Intercollegiate Halls are an adult environment. Students are expected to behave like adults and to assume adult levels of responsibility. They are expected to have the necessary skills to study and live independently alongside people from a wide variety of backgrounds. Places in halls are offered on the understanding that the student will be able to adapt to living away from home and to looking after him or herself in all practical matters.
